

After School Program

The After School Program at Dorado Academy is committed to providing a safe and nurturing environment that meets the needs of our Elementary and Middle School students and families during after school hours. The program takes place within a child-centered environment and a structure that is both relaxing and stimulating.

After an academically demanding day at school, the After School Program offers plenty of time for friends designed to help children learn and grow.

At our program we encourage the children to balance their leisure time. We do this by providing a structured environment, within that structure, opportunities for children to choose activities that will enhance their social, emotional, physical and intellectual growth.

The After School Program is offered on a regular school days from 2:00 pm until 6:00pm Parents may contract on a full time or part time basis for the academic year.

Daily structured and unstructured activities include:

- Snack
- Mixed aged grouping
- Homework supervision
- Tutoring
- Reinforcement
- Crafts
- Computer
- Passive games
- Dance
- Pizza party
- Movie day
- Photo booth
- Seasonal Activities
- Welcome summer party
